HEROES OF FAITH BREAKFAST

Rhodes on the Pawtucket, Cranston, RI

Purpose

The Partners in Faith (PIF) program gives nonprofit organizations (such as houses of worship, faith-based nonprofit organizations and other organizations who work with the faith community) the opportunity to select one member (or one couple) who has made a significant contribution to the life of their community. The criteria for award are to be established by each community. For example: a local church may want to select a young person who has exhibited unusual leadership or a non-profit organization may want to select someone who has been active in faith based outreach. The selected recipient will be honored in the following ways:

- Their picture and a description of their activity will be included in the program book
- They will receive an award at the breakfast

Members of the faith community will be encouraged to purchase tickets (\$35/person) to support the recipient at the breakfast. Attendees will be assigned tables so that members of faith communities will be assured that they are sitting with their own community.
